

# EC CERTIFICATE

## Notified Body No. 0843

CPR Notified Body UL International (UK) Ltd., Wonersh House, The Guildway, Old Portsmouth Road, Guildford, Surrey, GU3 1LR, United Kingdom

### Certificate of constancy of performance, 0843-CPR-0148

In compliance with the Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

#### Pyroplex CE Intumescent Acrylic

Penetration Seal and Linear Joint Seal Classified for use in flexible walls, solid walls and solid floors

A sealant used to seal around cables and metallic pipes to form a penetration seal to reinstate the fire resistance performance of wall and floor constructions, where they have been provided with apertures for the penetration of services. The sealant may also be used to seal linear gaps and joints in and between wall and floor constructions to reinstate the fire resistance performance of wall and floor constructions, where they abut or include gaps. Pyroplex CE Intumescent Acrylic is supplied in liquid form contained within 310 ml cartridges, 600ml foils or in 5, 10, 15 or 19 litre tubs. The sealant is gunned or trowelled into the aperture in or between the separating element/elements and where appropriate around the service or services, to a specified depth utilising various backing materials.

placed on the market under the name or trade mark of

**Pyroplex Ltd**  
**The Furlong, Droitwich, Worcestershire, WR9 9BG**

and produced in the manufacturing plant(s)

A/001

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

**ETA 13/0659, issued on 19/12/2017 & ETA 13/0660, issued on 19/12/2017**

and

**ETAG 026-2 & ETAG 026-3 (used as an EAD)**

under system AVCP 1 for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

***constancy of performance of the construction product.***

This certificate was first issued on 27<sup>th</sup> June 2013 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

19<sup>th</sup> December 2017
